

Timothy Schmalz

We are excited to announce that our speaker is sculptor Timothy Schmalz! For over 25 years, Timothy has been sculpting large scale sculptures. He is a figurative artist with his pieces installed worldwide. Some of his most reputed pieces are installed in historical churches in Rome and at the Vatican. Timothy describes his most important work as visual translations of the Bible. Although most of his work is based upon a spiritual theme, he also creates large, complex public sculptures in bronze. Some of these include monuments that honor veterans and firefighters.

Timothy strives to create epic artwork that connects with viewers through design and details that not only touch the viewer on an emotional level, but also allow them to feel somewhat a 'part' of the piece. Timothy is an incredible storyteller who you do not want to miss. We are honored to welcome Timothy as our speaker and are also excited to announce that we have commissioned a sculpture! "I am devoted to creating artwork that glorifies Christ. The reason for this devotion, apart from my Christian beliefs, is that an artist needs an epic subject to create epic art." - Timothy Schmalz
